DRIVER GUIDE

NO ROOM TO PASS? SLOW DOWN AND WAIT.

S · Slow down

Take a breath. Scan ahead for riders.

P · Pass with room

Follow local passing law. If there is not enough room, wait behind the rider.

A · Anticipate movement

Leave space for turns, rough pavement, debris, and parked cars.

C · Check before turning or opening

Look for riders before turning across a path or opening a door.

E · End distractions

Put the phone away. Give the road full attention.
