

3 FEET PLEASE

Before the ride home, check your lights.

Secure your lights. Check the power. Switch both on. Aim the front light without glare. Ask a bike shop about fitting help.

LIGHT THE RIDE

Before the ride home, check your lights.

White front, red rear

Fit a working white front light and red rear light. Check local rules for lights and reflectors.

Secure and aim

Secure the mounts. Switch both lights on. Aim the front light without glare.

Ask about fitting help

Ask a shop or local group what fitting help is available.
