PASS
No safe room to pass? Slow down and wait behind.

DOOR
Check your mirror and over your shoulder. Open only when clear.

TURN
Check ahead, beside and behind. Wait until the rider clears before turning across the path.

Why riders may use more of the lane

People biking have a right to use the road where bicycling is allowed. A rider may move away from the curb to avoid a door, debris, or unsafe pavement. Leave space and wait for a safe pass.
